920-663-9580 | Fax 920-663-9581

Welcome to Wilson Junior High!

Built in 1931, Wilson Junior High School is a school rich in tradition and dedicated to academic excellence. Wilson students and staff value community, relationships, engagement and growth.

Staff members pride themselves on doing whatever it takes to help students succeed, and believe that your child's education is a partnership between school and home. Our teachers welcome parent communication, and we invite you to call or email us with any concerns or questions you may have throughout the year.

We invite families to participate in Wilson's PTA and encourage them to attend school functions throughout the year, as well as our parent/teacher conferences in October and March. Wilson's parent group helps organize a new student potluck, breakfast for students during state assessments and a Grandparents' Day event.

Students have many opportunities to participate in extracurricular activities, like Builders Club, Forensics, Teaching Tolerance Club and Book Trailer Club. We also offer regular HAWK Time, a block of time in our school day dedicated to helping students succeed and a time to build community through various clubs and enrichment opportunities.

Our school athletics include cheerleading, dance team, tennis, basketball, golf, volleyball, football, track and field, wrestling, swimming, and soccer. Wilson Jr. High has a full gymnasium, swimming pool, auditorium and unique field where home football games are played.

What makes Wilson Junior High School special?

Students have many course options including core academic curricular subjects, music, art, career and technical education, business education, family and consumer education, health, world language theatre and more.
